

New Jersey Department of Children and Families Policy Manual

Manual:	NJAC	NJ Administrative Code Excerpts	Effective Date:
Title	10	Human Services	
Chapter	196	Determination Of Eligibility For Functional Services From The Division Of Children'S System Of Care	1/21/2014
Subchapter:	1	General Provisions	
Section	3	Definitions (N.J.A.C. 10:196-1.3)	

§10:196-1.3 Definitions

The following words and terms, when used in this chapter, shall have the following meanings unless the context clearly indicates otherwise.

"Adult" means a person age 18 years or older.

"Application" means the application form provided by CSOC and any supporting documentation necessary to the making of an informed determination with regard to applicant eligibility, including medical information. Supporting documentation may include, but is not limited to, educational, psychiatric, psychological, vocational, rehabilitation, or social service records.

"Benefits" means all current and future sources of cash and health assistance from Federal, State, or private entities including, but not limited to: Social Security; Supplemental Security Income (SSI); Medicare; Medicaid, including any applicable Medicaid waivers; State and Federal funds; and any third-party support pursuant to State rule, order, or by contract.

"Child" means a person under 18 years of age.

"Commissioner" means the Commissioner of the Department of Children and Families.

"CSOC" means the Division of the Children's System of Care in the Department of Children and Families.

"Developmental disability" means a severe, chronic disability of an individual, which:

1. Is attributable to a mental or physical impairment or combination of mental or physical impairments;
2. Is manifest before age 22;
3. Is likely to continue indefinitely;

4. Results in substantial functional limitations in three or more of the following areas of major life activity:

- i. Self-care;
- ii. Receptive and expressive language;
- iii. Learning;
- iv. Mobility;
- v. Self-direction;
- vi. Capacity for independent living; or
- vii. Economic self-sufficiency; and

5. Reflects the need for a combination and sequence of special interdisciplinary or generic care, treatment, or other services, which are of
